

# Correctional Model Ice Cube Machine

Correctional Model Ice Cube Machine

Models - 60Hz

IDF0600A Model

Special correctional model fasteners

## Special Correctional Unit Specifications

For Models iT0450 through iT1900 Series

- No plastic on outside of machine.
- Stainless steel top and front panels.
- Stainless steel side panels with stainless steel louvers for air-cooled models.
- Tamper-proof screws. Different screw head design for ice machine front panel and back cover. Both require special bit for removal. Bits supplied with ice machine startup package.
- When ordering special Correctional model, note that suffix "P" differentiates this model from standard Indigo™ Series ice machines Example: IDT1500A-261P
- See price list for available dice models in the Correctional configuration

## Standard Indigo®NXT Series Features

- Intelligent Diagnostics
- Acoustical Ice Sensing Probe
- EasyTouch® Display
- Programmable Ice Production
- Easy to Clean Foodzone
- Optional LuminIce® II Accessory inhibits growth of yeast, bacteria and other micro-organisms.

## Accessories

### LuminIce® II Growth Inhibitor

reduces yeast and bacteria growth for a cleaner ice machine.

### Arctic Pure® Water Filters

reduces sediment and chlorine odors for better tasting ice.
